

Dear Chaperone,

Thank you for volunteering to assist with our fieldtrip program at the Green Mountain Audubon Center in Huntington. In order to provide valuable assistance to the students, classroom teacher, and Audubon teaching staff, during the program please observe the following:

- Stay with and keep a total count of the students in your small group.
- Help keep students focused and engaged.
- Model interest, enthusiasm, and attentiveness; it is contagious!
- Resist the temptation to answer for students; allow them to make discoveries of their own.
- Keep side conversations with other chaperones to a minimum since they are very distracting to teachers and students.
- Turn off cell phones and pagers during the program.
- Have fun learning and being outdoors!

Thank you for helping us to make this a memorable experience for the students. We hope that you enjoy your visit and come back to the Green Mountain Audubon Center again soon. Please call us at 434-3068 or visit our website at [vt.audubon.org](http://vt.audubon.org) to learn about other educational programs, events, and workshops at the Audubon Center for children, families, and adults.

Sincerely,

Green Mountain Audubon Center Education Staff
