## FREE NATURE PLAYGROUP

**When:** Mondays, 9:30 - 11:00 am (Starts May 23)**Ages:** Birth to 5 years old. Parents and/or caregivers must accompany.**Location:** Meet at the Sugarhouse field kiosk at Green Mountain Audubon Center  
Sorry, no older siblings. Open to Richmond, Huntington, and Hinesburg residents.

Green Mountain Audubon Center is teaming up with Building Bright Futures to offer this special playgroup. Our goal is to support parents and caregivers with children ages birth to 5 in getting outdoors and exploring nature. Research shows positive impacts of spending time in nature on a child's physical, cognitive, and social development. Audubon provides children and families with quality opportunities to directly experience the natural world. Our 255 acres of forest, meadow, beaver pond, rivers, and peeper pond offer the perfect space to play and interact with other families and the outdoors.
