

Spring Vacation Days

Muddy Monday

Monday, April 24

What comes after winter but before summer? That's right, MUD SEASON! To celebrate all things sticky and sloppy, we will turn our attention to the wonderful world of mud.

Watery World

Wednesday, April 26

Get your boots ready! This program is about all things wet, wild and wonderful. We'll head out to find salamanders, tadpoles, and other animals in and around the watery worlds at Audubon.

Audubon Expedition

Friday, April 28

Join us as we mount an expedition, Audubon-style! Whether blazing a trail through the woods or foraging for spring snacks, this day will be full of exciting exploration.
