Flowers and Fairy Houses

Thursday, June 9 9:00 am - 10:30 am

Do you believe in fairies? Spring is an enchanting time of year at Audubon. Bring your fairy wings (real or imagined) for a magical morning. Venture into the miniature world of spring wildflowers as we build our own fairy houses!

Best of Audubon

Thursday, July 21 9:00 am - 10:30 am

Discover insects, birds, and wildlife at the ponds, rivers, and forests during a summer discovery adventure. Hone your deer ears, play camouflage, and explore the most popular stops along Audubon's trails.

Down by the River

Thursday, August 18 9:00 am - 10:30 am

What could be better than a visit to the water on a hot summer's day? Search and discover what lurks under the river rocks and sand. Find water striders, stoneflies, or salamanders. Build boats watch them float, and stay cool down by the river.
