NATURE DETECTIVES

July 9 - 13 *Full Day*

Owl eyes, deer ears, raccoon paws, oh my! Use your senses to discover the wonders of the outdoors. Earn your Nature Detective badge as we explore the woods, fields, and ponds of Audubon.

WILD IN THE WOODS

July 16 - 20

Morning OR Afternoon

Let it all out as we explore from high to low at Audubon. Grab your binoculars and travel off-trail to discover the most exciting places from high on Look-Out Rock down to Beaver Pond.

FAIRY HOUSES & GNOME HOMES

July 23 - 27 *Full Day*

Do you know anything miniature and made of magic? Explore Audubon through the eyes of fairies and gnomes, looking at nature up close. Immerse yourself in the magic of Audubon!

The Green Mountain Audubon Center is operated by Audubon Vermont, the state program of the National Audubon Society.

CRAFTY CRITTERS

July 30 - August 3

Morning OR Afternoon

Use those little paws and tiny claws to make something wonderful! This week we will explore the wild world of nature art. Mud, rocks, and twigs can become masterpieces.

THE CHICKADEE TREE

August 6 - 10 *Full Day*

What's it like to have feathers and a beak? Earn your wings and learn to fly! In this classic Audubon camp we'll build nests, guard our eggs, and share secret bird calls.

THE WILD WITHIN

June 25 -29

Age 6 - 10

Leap into summer by letting out your wild side! Practice making shelters, lighting fires, and letting nature be your guide in a week of total immersion into the wilds of Audubon.

BACKWOODS VENTURES

July 2 - 6 No camp July 4!

Age 9 - 13

Practice backcountry fire, shelter, and navigating skills then put them to the test with a campout at Audubon and a hike up Camel's Hump. Spend the night in a tent or try making a shelter of your own!

TWILIGHT INVESTIGATIONS

July 16 - 20, 4 pm - 9 pm

Age 7 - 13

A blast from the past, this is an Audubon tradition! How often do you get to stay out after dark, howling at the moon and glowing like fireflies? We will learn about all that comes alive as the sun goes down and the moon comes up.

HOOTIN' AND HOWLIN'

July 23 -27

Age 6 - 8

Coyotes are the tricksters of the animal world: hiding in the shadows, sniffing out secrets, and gliding through the forest. Join our pack, master your camouflage skills, and sharpen your owl eyes in a week of stealthy adventure.

JUNIOR NATURALIST

July 30 - August 3

Age 9 - 13

Scientists, get ready! Investigate, record, and discover in this fun-packed week of experimentation and exploration. Discover the slimy, wiggly, and muddy secrets of Audubon from forest to swamp.
